## ALWAYS FREE RESOURCES

Visit our Resource Center  
[help.objectiflune.com](http://help.objectiflune.com)

### **Newsgroup**

The newsgroup is a forum to discuss ideas or ask questions with fellow users as well as Objectif Lune employees.

### **Knowledge base**

The knowledge base has information such as how-to's, what error codes mean, and answers to frequently asked questions.

### **Online training**

Our e-learning portal is a great way for all your team members to get familiar with a powerful solution. With over 100 hours of online training materials, from videos to quizzes, exploring the possibilities of your new toolbox is at your fingertips.
